

Commercial Pest Prevention **for Educational Environments.**

PROTECTING LEARNING ENVIRONMENTS. SUPPORTING STUDENT SUCCESS.

Educational institutions are focused on providing safe, comfortable environments where students and staff can thrive. From classrooms and cafeterias to athletic facilities and administrative buildings, every space plays a role in supporting learning and community trust.

Turner Pest Control partners with schools and educational institutions across Florida to help support learning environments through early detection, ongoing monitoring and prevention-focused pest management designed to minimize disruption to campus operations.

Supporting Learning **Through Prevention**

IDENTIFY

Campus-specific risk conditions and high-traffic areas

MONITOR

High-risk locations and recurring pest activity trends

PREVENT

Targeted treatment, exclusion and proactive recommendations

DOCUMENT

Detailed service reporting and inspection-ready documentation

Helping create safe, comfortable learning environments for students and staff.

Educational Facility **Services**

- General pest management
- Rodent control
- SMART rodent monitoring
- Mosquito defense
- Fly management
- Wildlife exclusion and trapping
- Termite protection
- Lawn treatment

SMART Rodent Monitoring **for Educational Facilities**

SMART is a proactive rodent monitoring system that helps detect activity early through continuous monitoring and real-time alerts. This allows for faster response, more targeted treatment and greater visibility into pest activity.

Why Educational Institutions **Choose Turner**

- Integrated Pest Management (IPM)
- Continuous monitoring and responsive service
- Audit-ready documentation
- Discreet service in occupied environments
- Statewide commercial service and support
- Scalable solutions for single-site and multi-location facilities
- Trained and licensed technicians with ongoing industry training

Pest Management Designed Around Learning Environments

Built for educational institutions across Florida with statewide commercial service and support.
